EDIT

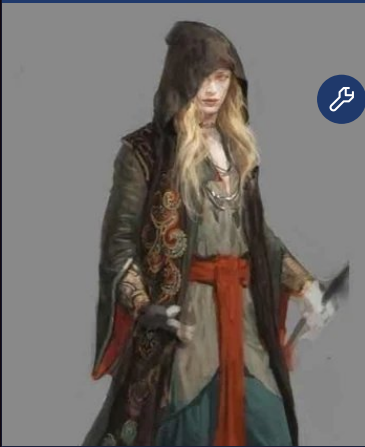

A mysterious young woman, who roams the streets of Cidaris. A vagabond and a priestess of Nehaleni, she claims the goddess has watched over her since she was a street urchin, and taught her divine magic. She is a powerful Oneiromancer.

She has heard the rumours about the [Oracle](#) and wanted to investigate further. She worked with the [Party](#) to spy on one of [Azarial](#)'s rituals and was key to uncovering a secret cabal of Higher Vampires in Cidaris. When the [Party](#) decided to side with [Oriphal](#) against [Kranos](#), she felt betrayed and abandoned the Party. However, later they reconciled with her and she promised to help, should the Party decide to fight the vampires.

She owns an Eye of Nehaleni which can dispel illusions.
